Overview

Burman Construction offers commercial construction and facilities support services in Southern New Mexico and West Texas region. Our company is Texas HUB, SBA 8(a) certified, Federal HUBzone, Economically Disadvantaged Women Owned Small Business, and Indian Small Business Economic Enterprise.

Our construction services include but not limited to new construction, tenant improvements, facilities support. Our delivery methods are general contractor, subcontractor, IDIQ, MATOC, JOC, design/build.

We have a construction self performing division that performs cold formed metal framing, gypsum board hang and finish, sheathing, paint, performance coatings, suspended ceiling systems, openings, and specialties. We have strong subcontractor support for MEP, concrete, roofing, steel, site work, earthwork, fire protection, millwork, EIFS and plaster, flooring and tile, etc.
